March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Borough of Oakland Superstructure Replacement of Patriot's Way Bridge project in fiscal year 2024. The entity to receive funding for this project is Borough of Oakland, located at One Municipal Plaza, Oakland, New Jersey, 07436. The funding would be used for fully replacing the Patriots Way Bridge in Oakland, which is a multi-span structure over the Ramapo River, that is the primary entrance and exit to more than 400 families. The project is an appropriate use of taxpayer funds because replacement of this bridge would ensure residents, tourists, and commuters are able to reliably travel over the Ramapo River for decades to come. The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
